

**"BEHIND"**

The train is **behind** time  
He is **behind** the times  
Beautiful words lay **behind** my tongue - **îmi stăteau pe limbă**

**"TOWARDS"**

She was cool **towards** me

**"BESIDE"**

He was **beside** himself with anger  
What you have said is quite **beside** the point

**"OFF"**

The road branches **off** the highway

**"ACROSS"**

The pen is **across** the pencil

**"PAST"**

The car went **past** the gate
