**1. Două acțiuni se desfășoară în același timp**

I was playing and he was learning

They were singing and the audience was listening

**2. În timp ce o acțiune se desfășoară cealaltă își face prezența**

While I was playing my Mother called me

The car ran into the bus while I was watching it

**3. Două acțiuni își fac prezența simultan**

The teacher came in and we said hello

I took it and he thanked me
